

YOUR ECOTOURISM ADVENTURE IN MONTENEGRO

## Spirit of Adventure in the North

### **Tour description:**

Have you already explored highlights such as Kolašin and Žabljak or been rafting and are now looking for something different? If you are looking to immerse yourself in undiscovered nature, then this is the perfect quest for you. We will explore the hiking paths, river canyons, caves, waterfalls along with getting to know local community in this Indiana-Jones-like journey to the far north of the country. If your children are coming along they'll surely make their peers envious of these adventures.

## Full itinerary:

### DAY 1 – BARBECUE UNDER THE STARS

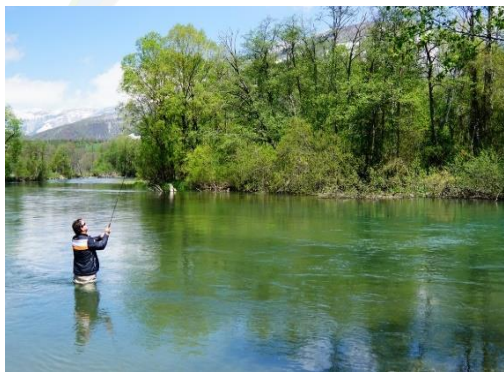

Get your best music on, some snacks for the road and hit the picturesque Morača canyon road on the way north. After passing some points of interest on the way you'll reach your destination tucked inside the nature. Hosts will greet you with barbecue dinner as you'll rest in your accommodation after the drive.

Accommodation – guesthouse Mojkovac region 3\* (halfboard).

### DAY 2 – PEACE OF PROŠĆENJE HIGHLANDS AND FLY FISHING AT TARA RIVER

Very diverse landscape, richness of plants, medicinal herbs and mushrooms, great viewpoints and secret giant trees with scattered old traditional houses are waiting for you! The hiking routes are not demanding, so the kids could walk, enjoy and learn about forest species, wildlife and biology.

Fly fishing on Tara river is a must for the seasoned fisherman or first-time enthusiast alike. All necessary gears are provided together with professional tutoring and assistance if needed. You will practice catch and release fishing to avoid population depletion. Our fishing team also police illegal fishing, assist in population control and have a true passion for sustainable fishing and environment, with all the local knowledge of every spot and species in and around the area (3 to 4 hours).

Evening is reserved for a bit of local tradition. Through the story about the family house, which was built 120 years ago, you'll get to know more about construction in this region, along with special experience of this region by the pleasant family atmosphere and the homely welcome and the served quality products and specialities. Learn about woodcarving techniques of the host as he is one of the best gusle-makers in the country (gusle is a traditional Montenegrin instrument). Dinner.

Accommodation – guesthouse Mojkovac region 3\* (b&b).

## DAY 3 – STUNNING WATERFALLS AND HIDDEN CAVES

Heading into the stunning countryside of a region famous for its cheese production, but the goal is to find the hidden waterfalls. On a small but vivid Lještanica river, after some short hiking, the sight will be amazing. But that's not all this region hides, we'll get you into the mysterious depths of Novakovića cave with a team of speleologists looking for its legendary treasure.

Lunch at the local cheese farm to wrap up the great day.

Accommodation – guesthouse Mojkovac region 3\* (b&tb).

## DAY 4 – AMONGST THE LOCALS

Saying farewell to your hosts and heading back, making a detour which will pass through Durmitor National Park but only to reach the area of Šavnik. In economic books the poorest municipality of Montenegro hides enormous wealth in natural beauty. Visit the monastery built in the beginning of 11<sup>th</sup> century, check out great waterfall in beautiful village of Bijela, and meet friendly locals for the lunch in their generations old stone house.

Return home will be smooth while talking about all the great hidden wonders you witnessed on this journey.
