

Rivers, lakes and canyons of the North

Tour description:

On this Montenegro holiday, leave the crowds on the coast behind and explore inland, discovering the mountains, rivers & canyons of the North. This eight-day, tailor made trip is a chance to enjoy some of the best active, outdoors experiences as you explore the mountains, beautifully clear lakes and deep gorges with raging rivers in this small and spectacular Balkan country. Meet the welcoming people of northern Montenegro, too – famous for their warm hospitality – and learn about a lifestyle that has deep roots in the past while enjoying modern comforts at friendly, locally owned accommodation. Feast on fresh, organic food, hike through ancient forests, swim in Lake Skadar, try some white-water rafting on the Tara river and simply relax and enjoy the views over Montenegro's dramatic landscapes...

YOUR ECOTOURISM ADVENTURE IN MONTENEGRO

DAY 5 – FRESH AIR, CANYONS, RIVERS AND WILDERNESS

Today direction the far North West of the country, taking in some diverse scenery and natural wonders. Following the Tara, our route passes through the Durmitor National Park. Take a break at the historic Đurđevića Tara Bridge - gateway to the Durmitor Alpine region - for a breathtaking view. For the brave at heart, there is a zipline across the gorge.

Taking the scenic route through a spectacular Durmitor mountain pass, you will have plenty of great photography moments! The route continues through remote rural countryside dotted with small mountain villages and tombs of the long lost Boqumili (called Stećak), passing Piva Lake you will arrive at your accommodation.

Looking to relax away from the crowds, you cannot go past this area of the country: enjoy authentic and traditional food, local drinks and a way of life that has all but disappeared.

In the afternoon, you can jump on a boat on the lake to discover the unexplored part of Komarnica canyon ([option 4](#)).
